

Bellview Middle School Orchestra III

The most important consideration is that you acquire a well-made instrument in good working condition in order for your child to enjoy a successful experience in orchestra. Besides the instrument, however, there are some additional items your child must have for maintenance and home practice, which are listed below. **Please be sure your child has all of his or her required materials as soon as possible after the start of the school year and always bring a pencil to class.**

All students must have Habits of a Successful Middle Level String Musician for their instrument.
