

Saxophones

- Superior action
 - Much smoother and more precise than student saxophones
 - Advancing players will notice it immediately
- Addition of the high F# key
 - Not typically found on student saxophones
 - Can improve intonation and response
- Increased quality of design and workmanship
- Additional options for mouthpieces to customize sound (including mouthpieces specifically for jazz playing!)
- Available in a variety of finish options
 - Lacquer
 - Silver
 - Black nickel
 - Unlacquered
