

Approved Instrument Guide & Materials Checklist

FOR BAILEY MIDDLE SCHOOL BEGINNING BAND STUDENTS

Bailey Middle School's brand of choice is **Yamaha**.

Yamaha represents high-quality materials and workmanship. It is important that you acquire a well-made instrument in good working condition in order for your child to enjoy a successful experience in band. Please note that there are some brands out there that exist that cannot be repaired and the instrument must simply be replaced, costing you more in the long-run than just renting-to-own a high-quality instrument! Keep this in mind when seeing prices that are "too good to be true!" For younger players, we recommend investing in the rent-to-own instrument **that includes a repair package!**

In addition to the instrument, your child must have some additional items for cleaning, maintenance, and home practice. Please make sure they have everything they need **BEFORE** school starts. Students **WILL NOT** need their instruments the first week of school.
