Most of your supplies can be found at a local music store. Bring this form with you to the store and an associate will help you. Schmidt's Music offers FREE DELIVERY to our school if you cannot shop in person or you forget something; their telephone number is (850) 434-0317. Ye Ole Fiddle Shop is another local store I recommend. If you are shopping at a store not listed above (Guitar Center, Blues Angel Music, etc.) please make sure you use the checklist on the back. You may also try Shar Music at www.sharmusic.com, but it isn't local (see the Orchestra Handbook for more store options).
